DIE CUTTER PLATEN

Model ML-B

DESCRIPTION

- ML-B Clamshell Die Cutter Platen is designed to die cut different type of materials, it can work with single and double wall corrugated board.
- We produce a wide range of models and can build any special size to meet customer needs.
- ML-B Clamshell Die Cutter Platen is designed to meet safety standards.

CHARACTERISTICS

- The ML-B Series Clamshell Die Cutter Platen can be used to cut kinds of material, include plastic film, automotive trim material, leather, cardboard, corrugated board, paper, adhesive sticker, etc.
- Body material: HT250.
- Main shaft and gears material: 40 rl.
- Shaft cover material: ZCuZn40Pb2 durable alloy.
- Connecting rod material: QT500-7.
- High cutting force, open angle not less than 160 degrees.
- Sensitive brake, with four sets of safety protection device: Hand bar protection device, sensor protection device, frame protection device, triangle protection device.
- Central lubricating system.
- Schneider electric parts.
- Painting with automobile paint, nice finishing.
- For machine size over 1600 mm, all will use double driving wheel structure, double clutch, double servo motor.

Technical specifications

<i>Model</i>	<i>Max. Cutting Size</i>	<i>Working Speed</i>	<i>Machine Dimension</i>	<i>Motor Power</i>
ML-930B	930 x 660 mm	26 Strokes / Min	1870 x 1670 x 1700 mm	3 Kw
ML-1100B	1100 x 800 mm	22 Strokes / Min	1910 x 1970 x 1750 mm	4 Kw
ML-1200B	1200 x 820 mm	22 Strokes / Min	2040 x 2020 x 1800 mm	4 Kw
ML-1300B	1300 x 920 mm	18 Strokes / Min	2010 x 2400 x 1950 mm	5.5 Kw
ML-1400B	1400 x 1000 mm	18 Strokes / Min	2010 x 2450 x 1950 mm	5.5 Kw
ML-1500B	1500 x 1050 mm	18 Strokes / Min	2010 x 2550 x 2050 mm	5.5 Kw
ML-1600B	1600 x 1250 mm	17 Strokes / Min	2250 x 2750 x 2200 mm	22 Kw
ML-1800B	1800 x 1280 mm	16 Strokes / Min	2250 x 2950 x 2200 mm	11 Kw
ML-2000B	2000 x 1400 mm	15 Strokes / Min	2290 x 3300 x 2300 mm	18 Kw
ML-2200B	2200 x 1400 mm	14 Strokes / Min	2800 x 3300 x 2300 mm	18 Kw
ML-2500B	2500 x 1400 mm	14 Strokes / Min	3100 x 3600 x 2300 mm	18 Kw
